the requirements of the Country Club Estates HOA.

Country Club Estates HOA Application for Exterior Modifications

- Indiana law requires that two days before you start to dig you must call IURC (811), to have the location of all underground utilities marked. For information, go to www.indiana811.org.
- This approval is contingent upon the modifications being completed as depicted in the original and modified application packages and no deviations may be undertaken without approval of the Architectural Review Committee.
- Modifications may not conflict with any recorded easements, including sight distance
 easements, and I am solely responsible for ascertaining the location of such easements.
 The Country Club Estates HOA, its Board of Directors, Architectural Review
 Committee, employees or agents accepts no responsibility for violations of recorded
 easements and clearance requirements. Additionally, modifications may not adversely
 affect the drainage in the area so as to impact neighboring lots.
- No construction vehicles may enter upon common ground to deliver materials or facilitate construction. Any disturbed common area must be restored to the satisfaction of the ASSOCIATION within ten (10) days of written notice. If not restored, the Association will restore all disturbed areas and assess the cost plus administrative charges to me.
- That approval is contingent upon construction being completed in a timely and professional workmanship manner.
- That the approval authority granted by the covenants Committee (if so granted) will automatically expire should the proposed project not be commenced within 180 days of the approval or completed within one year of the approval.
- Those members of the Architectural Review Committee and the Board of Directors and their agents and the staff of the Country Club Estates HOA may enter onto my property to make routine inspections. Such inspections will be conducted at reasonable times so as not to disturb my use of the property.
