Until that time, the Developer shall constitute the Council of Co-Owners and the Board of Administration, and shall possess the irrevocable proxy of the Unit and Garage Unit owners (which proxy each Unit and Garage Unit owner gives the developer upon acceptance of a Deed to a Unit), all Unit and Garage Unit owners agreeing to such administration by the Developer in accepting unit or garage unit

2. Developer shall at least thirty (30) days prior to relinquishing control call the first annual meeting of the Council of Co-Owners for the purpose of conducting such business as may be appropriate and the election of five (5) Directors to take office at such meeting, being three (3) for a term of one (1) year and two (2) for a term of two (2) years, the length of terms of the first Directors elected shall be determined by lot at the Board's first meeting. All nominations shall require the Owners of at least two (2) units and shall be received by the Secretary at least ten (10) days before said election. Nominations may be made from the floor at all annual meetings by the Owners of at least two (2) units. Thereafter, annual meetings of the Council of Co-Owners shall be held on the first Monday of June each year except in the

event the first Board shall have served for less than 90 days prior to the next succeeding June 1, the next annual meeting shall be the first Monday of the second succeeding June and shall include election of the Directors for two (2) year terms to fill the seats of those whose terms expire at such meeting. The date for annual meetings may be changed by the By-Laws. The Board of Administration (herein referred to as "Board") shall be composed of five (5) members, all of whom shall be Unit owners except in the event a Unit owner is a legal entity other than an individual, any officer, director, shareholder, partner, beneficiary or trustee of such other entity shall be eligible to serve as a Director or Member of the Board. The Officers of the Council shall be a President, Vice President, Secretary and Treasurer provided the offices of Vice President and Secretary may be combined into one office to be held by one person. All Officers shall be elected by a majority vote of the Board of Directors from among its members and shall hold office until the following annual meeting unless sooner relieved of their duties in accordance with the By-Laws.

3. Developer's rights as a Unit Owner shall not affect its rights to exercise the votes allocated to Units and Garage Units owned by it or the eligibility of its officers or representatives to serve as Directors or Officers of the Project after Developer's transfer of control of the Regime to the Council of Co-Owners. Except for the Developer, only Unit owners and Garage Unit owners whose assessments and other obligations to the Council then have been paid in full shall be qualified to vote.

4. Developer until transfer of control to the Board and thereafter the Board shall among other things, and at the cost of the Council be responsible for:

- a) The use, repair and maintenance of the Regime;
- b) The cleanliness and sanitary condition of the Regime including grass cutting and snow removal;
- c) Maintaining the Regime as a first-class condominium project and the adoption of any Rules and Regulations deemed necessary to provide for the beneficial, proper and harmonious use and conduct of the Regime; and
- d) Enforcing the terms of this Master Deed, the By-Laws, and Project Rules and Regulations.

J. Maintenance.

1. Developer, prior to relinquishment of its administration, and thereafter the Board of Administration shall levy and collect appropriate special assessments and monthly maintenance fees for the operation of the Condominium Project in accordance with KRS 381.870 for which a lien is created on each Unit and Garage Unit pursuant to KRS 381.883 and Section M of this Master Deed. The power is hereby further granted such levying authority to impose monthly late charges of not more than fifteen percent (15%) against any Unit or Garage Unit which is more than ten (10) days delinquent in the payment of any monthly maintenance charges plus interest thereon at a rate of one and one-half percent (1 1/2%) per month until paid.

2. The monthly maintenance fees set out herein for common expenses shall be based on each Unit's and each Garage Unit's proportionate share of the common expenses for the proper

operation of the Regime. Non-use of any of the common elements shall not exempt any Unit or Garage Unit from bearing its proportionate share of the common expenses or from its liability for full payment of its share of the monthly maintenance fees or special assessments levied by the Board or the Council of Co-Owners. It is expressly provided however that Units and Garage Units owned by the Developer shall not be subject to payment of monthly maintenance fees and/or special assessments until the earlier of, (1) the date the Unit or Garage Unit is occupied as a single family residence or garage as the case may be, (2) the date Developer transfers title to a person who intends to occupy the Unit or Garage Unit as a single family residence (or garage), or (3) the date a final certificate of occupancy, or similar final certification, is issued by the governmental agency that issues same.

3. The Board shall, subject to the approval of a majority of the Council of Co-Owners in attendance at the meeting at which a quorum is present, each year estimate the common expenses of the Regime for the next year. Thereupon it shall determine the portion of such common expenses attributable to each Unit and each Garage Unit and proceed to levy and collect same from each Owner one-twelfth of such amount monthly. Should no such determination be formally made for any year the monthly assessments for each Unit and Garage Unit for the previous year shall be levied and remain in effect until changed by the Board with the approval of a majority of the Council of Co-Owners. As used herein "year"

shall mean fiscal year, the first day of which shall commence the first day of the first month after transfer by Developer of its administration of the Project to the Council of Co-Owners.

4. A portion of each monthly maintenance fee as determined by the Board (or Developer) shall be deposited in a separate reserve and capital replacement fund. Said fund shall be deposited in a separate savings account, certificate, checking account or other securities in an institution whose accounts are insured by the full faith and credit of the United States and all withdrawals therefrom shall require two signatures. Disbursements from said Fund shall be made only for substantially repairing, replacing or erecting major capital improvements of or upon the General or Limited Common Elements. Routine maintenance shall be paid from that portion of the monthly maintenance fund allocated to the monthly operation of the Project.

K. Professional Management. Developer may prior to its relinquishment of the administration of the Regime and thereafter the Council of Co-Owners acting by and through the Board may employ a professional manager to handle the operation of the Regime under the direction of and subject to the approval of the Board (or Developer) provided the management agreement be terminable for cause upon 30 days notice and run for a reasonable period of time of from one to three years and provided further that any management contract negotiated by Developer prior to its relinquishment of control shall not exceed one year. Any management contracts negotiated by the Board may be renewable by consent of the Board

and management.

L. Waiver Of Use Of Common Elements. No Unit or Garage Unit owner may exempt himself for liability for his contribution towards the Common Expenses by waiver of the use of enjoyment of any of the Common Elements or by abandonment of his Unit or Garage Unit.

M. Unpaid Common Expenses Constitute Lien. All sums assessed for Common Expenses shall constitute a lien on the Units and Garage Units, prior to all other liens except (1) liens for taxes and assessment lawfully imposed by governmental authorities against such Units or Garage Units, and (2) the lien of a first mortgage. Such lien may be enforced by suit by the Council or the Board of Administration, its Administrator or Agent, acting on behalf of the Council, in like manner as a mortgage of real property, provided that thirty days' written prior notice of intention to sue to enforce the lien shall be mailed, postage prepaid, to all persons having an interest in such Unit or Garage Unit as shown on the Council's record of ownership. The Council shall have the power to bid on such Unit or Garage Unit at judicial sale and to acquire, hold, lease, mortgage and convey such Unit. Suit to recover a money judgment for unpaid Common Expenses shall be maintainable without judicial lien enforcement and without waiving the lien securing same.

N. Acquisitions at Judicial Sale. Where the mortgagee of a first mortgage of record or other purchaser of any Unit or Garage Unit obtains title to such Unit or Garage Unit as a result

of the judicial enforcement of the mortgage, such party and his successors shall not be liable for unpaid assessments on the share of Common Expenses which become due and payable prior to such acquisition of title, except for any amount available from the proceeds of sale. Such unpaid shares of Common Expenses shall be deemed to be Common Expenses collectible from all Unit and Garage Unit owners, including such new owner.

O. Insurance.

1. The Board of Administration shall obtain and maintain in full force and effect at all times property damage insurance on the Condominium Project in an amount equal to the full replacement value thereof which value shall be determined annually by the Council. Replacement value as used herein shall be determined without deduction or allowance for depreciation, but such insurance may contain a deductible amount determined by the Board.

Such coverage shall afford the following minimum protection:

Loss and damage by fire or other hazards covered by the standard extended coverage endorsement, as well as vandalism and malicious mischief and such other property damage insurance as the Board consider appropriate.

2. In addition to the insurance set out above, the Board shall also obtain and maintain in full force at all times the following insurance:

(a) Public liability insurance in such form

and in such amounts as may be considered appropriate by the Board, including liability insurance for the operation of any community room or guest room.

(b) Workers Compensation insurance to the extent necessary to comply with any and all applicable laws.

(c) Such other insurance as is or shall hereafter be considered appropriate by the Board.

3. All policies purchased by the Board shall provide that same may not be canceled or substantially modified without at least 30 days prior written notice to the Board, all mortgagees of the Co-Owners and any and all other insureds named thereon. All policies shall contain a mutual waiver of subrogation between the Council of Co-Owners and all individual Unit and Garage Unit owners.

4. All premiums for insurance coverage as set out herein shall be a common expense to be paid by the monthly assessments levied by the Council of Co-Owners against each of the Co-Owners in accordance with their respective percentages of interest as set forth herein and in any amendments hereto, provided, should the amount of any insurance premium be affected by the use of any particular Unit or Garage Unit, the Co-Owners of such unit or garage unit, as the case may be, shall be required to pay any increase resulting from such use. Developer shall pay its prorata portion of insurance covering unsold Units and Garage Units.

5. The Board shall have the exclusive authority to

adjust any losses under the said insurance policies, provided, in no event shall the insurance coverage obtained and maintained by the Council of Co-Owners be brought into contribution with any insurance purchased by individual Co-Owners or their mortgagees. At his own expense, each Co-Owner may obtain additional insurance upon his Unit or Garage Unit provided no such insurance shall decrease the amount the Council of Co-Owners may realize under any of its insurance policies. All insurance proceeds resulting from damage or destruction payable to Unit and Garage Unit Owners and mortgagees shall be deemed assigned to the Board representing the Council of Co-Owners. Said Board shall immediately deposit all proceeds in a separate account in an insured bank or thrift institution selected by the Board. The Board shall, with qualified supervision, oversee all repairs and all reconstruction. Disbursements shall be made from said trust account as reconstruction and repairs are made only with the approval of a majority of the members of the Board using standard construction disbursement procedures. In the event insurance proceeds are insufficient to cover the costs of reconstruction or repairs relating to the General Common Elements and Limited Common Elements, such portion of the costs not so covered shall be paid by the Co-Owners as a common expense. The Board acting on behalf of the Council in accordance with KRS 381.890(2) is hereby authorized to borrow funds therefor and to amortize the payment of same over a period of time not exceeding the reasonable life of the reconstruction or repairs.

P. Voting and Voting Percentages. The term "majority" or "majority of Unit Owners" used herein or in the By-Laws shall mean the owners of the Units and Garage Units to which are appurtenant more than fifty percent of the percentage of common interest of those owners who are present at a meeting at which there is a quorum. Any specified percentage of Unit and Garage Unit owners means the owners of Units to which are appurtenant such percentage of the common interest. Where a Unit or Garage Unit is jointly owned or owned as tenants in common by one or more persons, the vote for that Unit or Garage Unit may be cast by one of said owners without the necessity of obtaining a proxy. Where the joint owners or common owners of one Unit or Garage Unit cannot agree on a vote, the vote applicable to that Unit or Garage Unit shall be divided pursuant to ownership interest. Owners shall be entitled to vote at Council meetings in person or by written proxy.

Q. Amendment of Declaration. Except as otherwise provided herein, or in said Horizontal Property Law, this Master Deed may be amended by the Developer prior to it relinquishing control and thereafter by signatures of seventy-five percent of the Unit owners. Amendments shall be effective only upon recording of the signed instrument setting forth the amendment.

R. Incorporation of Council of Co-Owners. The Council of Co-Owners may (but is not so required) incorporate itself as a non-stock, non-profit corporation, in the administration of the Project with the membership and voting rights on such corporation being the same as membership and voting rights hereinabove
